Technology Innovation Project (TIP) Grants

**Funding/Use of Monies**
- Annual funding is provided by the campus and may contain monies from the Technology Fee
- Monies should be used to fund academic initiatives that relate to instruction, student usage, improving student usage, and/or improving student learning through the use of technology

**Goal of the program**
- New, innovative and/or trial initiatives will be given priority
- Initiatives with clear assessment criteria and reasonable succession plans will be given priority
- Equipment replacement and expansion of existing equipment will also be considered

**TIP Review Committee**
- 2 representatives from CTAB
- 2 representatives from ITC (Faculty Assembly Information Technology Council)
- 1 representative from CTS (in addition to CTO)
- 1 Campus FACT representative
- Ex Officio: Chief Technology Officer
  - The CTO will chair the TIP review committee

**Who can submit applications**
- Academic departments and programs
- One application per department or program
  - applications may contain a ranked list of multiple projects
- Applications need to be signed by the Chair/Director and the Dean

**Projects that will be considered**
- Computers, software and peripherals
- Computing devices
- Costs not covered include:
  - construction/renovation costs
  - furniture
  - consumables

**Process**
- Call for proposals will go out in the Fall of each year
- Completed applications will be due approximately four weeks later
- TIP review committee reviews all applications
  - Applicants make a 10 minute presentation to committee & answers questions
  - Committee prioritizes proposals and presents recommendations to CTAB
• CTAB will be presented the recommendations and be solicited for comments and endorsement
• CTO will report recommendations to the Provost Council
• Recommendations sent to CTS for implementation
• For those receiving a TIP grant - applicants must make short presentation on how the monies were used and give information on successes and failures of the project at a CTAB meeting or CELT workshop
  ○ Failure to make a presentation will affect future applications
