Technology Initiative Project (TIP) Grants
Fall 2012

Funding / Use of Monies
● Annual funding is provided by the campus and may contain monies from the Technology Fee as well as local and SUNY funding
● Monies should be used to fund academic initiatives that relate to instruction, student usage, improving student usage, and/or improving student learning through the use of technology

Goal of the program
● New, innovative and/or trial initiatives will be given priority
● Equipment replacement and expansion of existing equipment will also be considered

TIP Review Committee
● 2 Representatives from CTAB
● 2 Representatives from ITC (Faculty Assembly Information Technology Council)
● 1 Representative from CTS (in addition to CTO)
● 1 Campus FACT Representative
● Ex Officio: Chief Technology Officer
  ○ The CTO will Chair the TIP Review Committee

Who can submit applications
● Academic departments and programs
● One application per department or program
  ○ Applications may contain a ranked list of multiple projects
● Applications need to be signed by the Chair/Director and the Dean

Purchase that will be considered
● Computers, software and peripherals
● Computing devices
● Costs not covered include:
  ○ Construction/renovation costs
  ○ Furniture
  ○ Consumables
Process

- Call for proposals will go out in the Fall of each year
- Completed applications will be due approximately 3 weeks later
- TIP Review Committee reviews all applications
  - Applicants make a 10 minute presentation to committee & answers questions
  - Committee prioritizes proposals and presents recommendations to CTAB
- CTAB approves/endorse committee recommendation
- CTO will report recommendations to the Provost Council
- Recommendations sent to CTS for implementation
- For those receiving a TIP Grant – applicants must make short presentation on how the monies were used and give information on successes and failures. For example, at a CTAB meeting or CELT workshop.
  - Failure to make a presentation will affect future applications
