SUNY Oswego Facilities Services Monthly Project Update

January, 2017

Project #	100013	
Project Name	Renovate Penfield First Floor L	obby and Reference Room
	•	
Project Scope	Reference Room: Replace carpet, ceiling tiles, and light fixtures with new. Patch and Paint all wall surfaces including columns. Sand down and paint the existing stack shelving to look like new. Build partition walls to separate the new writing center space to include one semi-private office. Update and add locations for electrical and data services to support the modern technologies for both the library and writing center. Purchase new furniture for the writing center. Lobby Area: Repair and refinish terrazzo flooring. Replace ceiling tiles and light fixtures with new. Patch and paint all wall surfaces including columns. Add four custom millwork desk units to support the following library functions: circulation desk, research desk, computer lab assistant (CLA), and writing center personal all located throughout the lobby area. Purchase furniture to support the printing needs throughout the lobby space.	
Project Phase	C4 - Substantially Complete / Punchlist	
Current Project Coordinator	Tedra Marshall
