SUNY Oswego Facilities Services Monthly Project Update

May, 2018

Project #	100115	
Project Name	Commissary - Rehab Cold Storage	
Project Scope	Existing coolers and freezers have exceeded their useful life and cost about \$150k/yr to maintain. This project will provide for the removal and abatement of existing equipment and installation of new units as determined by programming and operations of the facility. Key goals of the project include increased energy efficiency, decreased load-in times to take deliveries into cooled spaces by the pallet-load and reduced ongoing maintenance costs.
