

SUNY Farmingdale plenary

Diana Boyer, Senator and Gwen Kay, Vice President and Secretary

University Faculty Senate

Big issues

- Discussion around Governor's announcement "every SUNY student will have an experiential learning opportunity"
- SUNY Excels now 17 categories that individual campuses will decide on which works for them
- Aggressive (good) budget request

State/SUNY Budget

- \$5 billion state surplus
- Campus Salary Support \$131 million
- \$50 million for master innovators
- \$50 million for collective impact (SUNY Excels)
- \$30 million in loans (Open SUNY)
- Performance funding, 10% of direct state tax support (share of \$18M in additional state funding)

Educational pipeline report

- More students graduate high school ready for college success
- Update on Early College High Schools (Smart Scholars)
- Accelerated Math Model
- Professional development, clinical teacher prep, and Centers for innovation in Education

Elsevier and open source publishing

- Reached a 3rd 5 year agreement
- Campus participation, almost all in-University Centers 74.5%
- SUNY doesn't have money for previous level of commitment
- Scholarly publishing model is unsustainable

Provost's Report

SUNY Excels are down to 17 metrics

Structure for accountability, evaluating leaders and telling stories for future investments

Access	Completion	Success	Inquiry	Engagement
Full enrollment picture	Completions	SUNY Advantage	External funding	Start-up NY and beyond
NYS citizens served by SUNY	Student achievement/success	Financial literacy	Courses in SIRIS hand on learning	Alumni/Phil. support
Diversity			Scholarship/discovery/innovation	Civic engagement
Capacity				Economic impact
