**Welcome to CWA Local 1104/Graduate Student Employees Union**

By signing your union card today you have activated all of the privileges and rights of union membership. By becoming a registered member you are now eligible to serve on committees, vote in elections, have a voice on policies and contracts, become a department steward, and run for office.

By signing your union card you have further demonstrated to the employer that you support your union's efforts to improve the quality of life for all graduate student employees. The more support the union has the more they can advocate for your salary, health care, and rights at the bargaining table. Signing your union card is the first step in actively participating in the negotiation of your salary.

By signing your card you will not be paying anything additional for membership. Everyone in our union pays 2% dues which are automatically deducted from our paychecks. This money goes toward defending graduate student employees rights, administering and negotiating the union contract and fighting for improvements to the quality of life.
