What is Leadership Oswego County?

Leadership Oswego County (LOC) is a program that prepares a select group of county residents to become the community leaders of the future. The participants embark on a nine-month course of intensive study of Oswego County, its resources, countywide vital issues, and the skills needed to become community trustees. Both an adult and youth class is available.

Who benefits from the program?

EMPLOYERS find the program provides an invaluable learning experience for their employees by developing their leadership potential, organizational and problem solving skills, while providing access to a broad network of community professionals and resources.

SCHOOLS find their youth are better prepared to lead both in school and in their communities.

The COMMUNITY benefits from committed and knowledgeable people who are prepared to accept leadership positions and become trustees of our community’s future.

PARTICIPANTS gain a greater understanding of the role of “leader” through first-hand experience in group dynamics, project and meeting management, effective communications, and team building.

Who should apply?

Applications directly from interested individuals are encouraged, as are nominations of employees from area businesses and organizations. An ideal candidate is someone who:

- is interested in the future of Oswego County and is willing to help shape it.
- has a sincere interest in seeking public office or board leadership roles.
- is able to commit the time and energy needed to complete the program.
- demonstrates leadership qualities in their professional and/or personal life.

Welcome to Leadership Oswego County!

Leadership Oswego County is a resource for all of us and has many achievements to celebrate.

This intense program prepares a select group of individuals to become better community leaders. Participants embark on a nine-month course of intensive study and emerge equipped with the skills and techniques necessary to maximize their natural leadership qualities. During their course of study they are instilled with enthusiasm and responsibility of civic engagement. To date, we have graduated twenty-one adult classes and fifteen youth classes and we are proud to have over 460 dedicated Leadership Alumni.

As each class graduates, they are challenged to answer the question: What contributions can we make to our community? They are encouraged to dream and share their hopes and visions; they are encouraged to act as stewards for their neighbors and fellow citizens and maybe most important, they are encouraged to use their leadership education as a pathway to our lifelong responsibility to build and sustain a healthy community.

There are numerous individuals who work hard to make this program a success. These dedicated volunteers design the activities for each class day, do fund-raising, recruit and select class members and serve as ambassadors for the program in the community.

Our Leadership Program is also very fortunate to have the financial support of many businesses and organizations in the community. Whether the contribution is sponsoring a student for the program or a donation at one of the many giving levels, we thank you for your continued support. Please feel confident that we will do our best to graduate students prepared to accept Leadership positions in your organizations and community as a whole.

This yearbook is a wonderful opportunity to showcase Leadership Oswego County and our successful Class of 2015. Look carefully at the class pictures — In our graduates you will see vision, commitment, dedication and even a hint of the “fun” they have experienced this year. They are ready, willing and able to serve our Oswego Community — so call on them — this program is really for you!!!

Sincerely,

Jeffrey Grimshaw, Director
Office of Business and Community Relations

Tammy Thompson is a graduate of Leadership Oswego County Class of 1999 and is a long-time member of the Leadership Oswego County Curriculum Committee. In 1991, she was hired by the Oswego County Health Department to develop the Early Intervention Program that would become a state mandate by July of 1993. She later became the Director of Programs for Children with Special Needs in 1999. Tammy attended college at South Dakota State University where she earned a Bachelor’s degree in Communication.

Tammy has been nominated for and was awarded several recognitions and awards over the years: NYS Senate Women of Distinction Award Nominee in 2011; Leadership Oswego County Distinguished Alumni Award winner in 2006; Alzheimer’s Association of CNY Volunteer of the Year Award winner 2003-2004; National Association of Counties Award winner for developing the Early Intervention Program prior to state mandate going into effect.

In addition to these awards and recognitions, Tammy has held and presently holds officer positions in many organizations: President and founding member of the Oswego County Autism Task Force; President, Youth Bureau Board of Directors; Vice President of Zonta Club of Oswego; Past Vice President and board member of Parents of Special Children; Co-Chair of the Alzheimer’s Association of CNY Alzheimer’s Walk 2003 and 2004. She is also a member of the Rural Health Network, Head Start Special Services Advisory Committee, Oswego County Opportunities Crisis and Development Advisory Committee, and Oswego County Opportunities Community Service Advisory Committee.

Tammy lives in Oswego with her husband, Tim, of 25 years this November. Their daughter, Hailey, is enjoying her jobs as a 1:1 aide at Little Lukes during the school year and as a camp counselor in the summer. Their son, Adam, will graduate Oswego High School this year.

Tammy Thompson
Leadership Oswego County Distinguished Alumni Award 2015

Tammy was born in Oswego and has lived in Fulton all her life. She is a 1982 graduate of Fulton's G. Ray Bodley High School.

Following graduation, she attended the Wilma Boyd Career School in Pittsburgh, Pennsylvania. After achieving her certification in travel and tourism, she went to work for USAIR in Syracuse as an airline reservation agent and was soon promoted to floor agent supervisor.

In 1990, Tammy accepted a position at the James A. FitzPatrick Nuclear Power Plant in Scriba as a Nuclear Security Officer. In July she will have celebrated her 25th anniversary. Her career at FitzPatrick has included 2 years as a Security Officer, 11 years as an Accounts Payable Clerk, 2 years as the Coordinator to the Plant's Site Vice President and her most recent promotion, Site Communications Specialist. Tammy has been the plant's station communicator since 2008. She is the plant's official spokesperson and is responsible for all internal and external communications, media interactions and community relations. It is this role that she has been most proud of, as it has provided her opportunities to interact with many aspects of our community. Tammy's nights and weekends are often filled with participating in community events and fundraisers.

Tammy joined the Leadership Oswego County fellowship in 2003 as a member of that year's class. She was connected and committed to LOC's vision from there on out. She has since joined LOC's curriculum committee, participates in its yearly "Getting Your Message Across Day" and actively recruits future class members. Her initial participation with LOC encouraged her to get involved with other organizations over the years such as Fulton Youth Hockey, Habitat for Humanity, the Rescue Mission and United Way.

Over the years, Tammy has attended Cayuga Community College and recently received her Social Media Professional certification from Syracuse University. She has been the recipient of Entergy's "Living by the Values" award and has been recognized several times as "Employee of the Quarter."

Tammy considers her family her greatest achievement. She has been married to her best friend for 24 years and has 21 year old identical twin sons that are juniors at SUNY Oswego.
The Friend of Leadership Oswego County award recognizes long-time supporters of the Leadership Oswego County Program who are not alumni, but have made a significant contribution to the program’s success. This designation clearly applies to Jeff Paquette. Jeff has volunteered his time and expertise to Leadership Oswego County on Media Day for over 20 years.

Jeff Paquette is originally from Deerfield, NY. He attended Whitesboro High School, Mohawk Valley Community College in Utica, and Syracuse University. He was a long-time, faithful employee of James A FitzPatrick nuclear plant for 38 years as a photographer/drafter, before he recently retired in December of 2014.

Not only is he an avid Leadership Oswego County volunteer, Jeff has also been a Volunteer Fire/Rescue/EMS for 41 years. He presently donates his time and expertise to the New Haven Volunteer Fire Department.

As he has for most of his life, Jeff enjoys refining his talent in all aspects of photography. He is also passionate about off road motor sports. He finds them both very rewarding in his retirement “spare time.”

Jeff lives in Mexico with his wife Marlene. They have been married for 32 years and have two sons, Jeff Jr. and William, who both attended Mexico Academy and Central Schools. They also have an adorable granddaughter, Abbi, who is four.
