Possibility Scholars

The Possibility Scholars Awards are presented to the graduating Possibility Scholars in recognition of their accomplishments in the Science, Technology, Engineering, and Mathematics fields throughout their four years as a scholar. Such accomplishments include rigorous laboratory-based summer research projects through the Summer Research Institute and an international service learning experience through the Global Laboratory to study real-world problems such as mitigating climate change, controlling emerging diseases, reducing extreme poverty, developing sustainable energy resources, and wisely managing water and food systems.

Division of Extended Learning

The Division of Extended Learning is committed to providing access to high-quality education to people of all ages and stages of life and career. The division works with academic departments to create, deliver and support innovative and responsive credit and non-credit programming to diverse audiences in order to open gateways to new careers, enhance skills or pursue lifelong learning, spanning multiple modalities and locations. Non-traditional and part-time students earning baccalaureate completion degrees online, in the evening, and in blended programs at our Syracuse campus receive the same high quality education as on-campus students while maintaining the ability to balance their personal and professional commitments. Degrees include broadcasting and mass communication, business administration, criminal justice, human development, public relations and wellness management.

College Honors Program

The Oswego College Honors Program consists of a core of courses in the social sciences, humanities, natural sciences, philosophy and history designed to stimulate students' intellectual growth and develop their analytical abilities. Unlike traditional courses, which present material from a single field of study, Honors Program courses are multi-disciplinary, drawing ideas and information from many fields and addressing concerns common to all the disciplines. In addition to Honors core requirements and all the requirements in their majors, Honors Program students must also meet requirements in laboratory science and a foreign language and complete an Honors Thesis, in which they explore a topic in some depth.

The following students from the Class of 2020 are completing the requirements for the SUNY Oswego College Honors Program:

Brandon Ash
Jess Burgos
Brittany Colon
Louis DeMarco
Christopher Gayvert
Hanna Greulich
Ashler Herrick
David Hite
Edward Kelly
Kirsten Klingaman
Dimitri Lockhart
Meghan Maquet
Claire Millington
Michael Mongiovi

College of Liberal Arts and Sciences

The College of Liberal Arts and Sciences is the largest academic division in SUNY Oswego, boasting 18 academic departments, 15 interdisciplinary programs, five graduate programs, and several certificate programs. Providing a learner-centered community committed to high intellectual standards, the college offers more than 40 undergraduate majors in subjects ranging from American studies to zoology, nearly as many minors, and eight cooperative degree programs. Through in-depth study in traditional and interdisciplinary programs, we prepare students to identify and develop productive solutions to the many challenges facing regional, national, and global civil society.

School of Business

To keep pace with a rapidly evolving business world, programs in the School of Business integrate classroom learning with advanced computer applications and various forms of applied education, such as case studies, simulations, group projects and internships. Nationally accredited by AACSB International—the Association to Advance Collegiate Schools of Business—the school offers seven undergraduate majors, a master's of business administration, an MBA health services administration program as well as three five-year combined bachelor's/MBA degree programs, one in accounting, one in broadcasting and mass communication and one in psychology.

Candidates for Baccalaureate Degree

Subject to completion of all degree requirements, degrees will be conferred upon those individuals listed herein who have met the requirements of their respective degrees in December 2019, May 2020 and August 2020.

School of Communication, Media and the Arts

The School of Communication, Media and the Arts brings together programs related to the study and creation of messages through art and music, electronically and via the spoken word. The school combines the strengths of fine and performing arts programs in art, music and theatre with the highly diverse department of communication studies. Nine undergraduate degree options and three master's degrees are offered in addition to interdisciplinary majors and minors. Graduates in this division are identified by tri-colored cords representing brown for art and theatre, crimson for communication studies, and pink for music.

Candidates for Baccalaureate Degree

Subject to completion of all degree requirements, degrees will be conferred upon those individuals listed herein who have met the requirements of their respective degrees in December 2019, May 2020 and August 2020.

The College Mace

School of Education

Innovation in authentic learning has been a hallmark of SUNY Oswego since its founding in 1861. This creative spirit still thrives in the School of Education, where innovative methods grounded in research and early experiences in the field help students become teachers, counselors, school leaders, and wellness and technical professionals ready to meet the challenges of today's global and diverse educational institutions and communities. The school is accredited by the National Council for the Accreditation of Teacher Education.

Hail Oswego

Voices fill the air
Singing reverently
Pledging our school fair
Truth and loyalty
This our song we raise
In her name and praise
Oswego, Alma Mater
Hail to thee!
